

Friends of the Dunes
Student Science Grant Program

Purpose: *The FOTD Student Research Grant Program provides financial support for students wishing to engage in a research project that relates in some way to Great Sand Dunes National Park and Preserve. Eligible expenses include equipment, supplies, and transportation. An amount up to \$500 may be requested to be used within the school year, defined as **June 1 through May 31, 2012**. Applications may be submitted as early as **June 1, 2011** and will be evaluated monthly for as long as funds are available. **Applications will not be accepted after January 15 for that school year.***
